NEW AND OLD . . . Gavels changed hands Saturday night when Jaycees and Jaycettes held their installation of officers at the Palos Verdes country club. Outgoing presidents Vern Lovelady (left) and Mrs. Virginia Jones watch as Dr. Phil Reames, installing officer, hands over gavels to newly-installed presidents Mrs. Helen Percy and Fred Hansen.

Junior Chamber Awards

The Jaycee-Jaycette joint installation dinner dance which was held last Saturday night, July 10, at the Palos Verdes Country Club, proved an outstanding success, with approximately eighty-four couples attending.

Highlights of the evening consisted of the presentation of awards to Jaycee members by the master of ceremonies, Nolan Stuckey. Jaycee members receiving a "Certificate of Merit" were: Douglas Horlander, programs; Dale Stanton, membership; Charles Herron, special projects; Nolan Stuckey, outstanding new member of the year; Philip Lismann, State awards; Dave Figueredo, District 12 meet chairman.

Fred Hansen was presented with a certificate of merit and a medal, known as the "Key Man Award."

Gifts

Gifts were presented to the outgoing Jaycee and Jaycette presidents, in appreciation for their "outstanding leadership" during the past year. The outgoing Jaycette president, Virginia Jones, received a jewelry ensemble. The outgoing Jaycee president, Vern Lovelady, was presented with an engraved gavel and block.

Mrs. Vern (Ann) Lovelady was also presented with a gift. The "Exhausted Rooster"

ceremony was M.C.'ed by Lyle Moore, Past Grand Capon. An "exhausted rooster" is a Jaycee member who has reached the age limit for the club and must then be inducted into this "esteemed" group. Members inducted into the

"Exhausted Roosters" were: Vern Lovelady, Marvin Goetsch, Robert Ford and Robert Johnston.

State Award

A State award given to the Torrance Jaycees for third place in membership at the Palm Springs State Convention this year was on display in the lobby of the club.

Also on display was a certificate known as the "M" Award; this award was given to the Torrance Junior Chamber of

Commerce which was the only club to be awarded this "M" Award for over 100 per cent increase in membership during the past year.

Mr. and Mrs. Ray M. Parrish, of 5420 Sharynne lane, announce the birth of a daughter, whom they have named Michelle Lee. The new infant was born July 5, at Balboa Naval Hospital, and weighed 6 pounds, 9 ounces.

Painting Stucco

Answers to questions about Nalcrete

Q. What new development has revolutionized the painting of stucco homes?

A. "Dutch Boy's" amazing new polymer paint, Nalcrete.

Q. How does Nalcrete differ from ordinary paints when first applied?

A. Ordinary stucco paint often looks blotchy at first then "weathers" out to a uniform color. But Nalcrete gives a beautiful, uniform color the instant it is dry.

Q. What happens as Nalcrete "ages"?

A. Nalcrete holds its color without fading; washes sparkling clean in hard rains, leaves no dirty streaks. It defies sun, storm and fog, and, most important, it does not react with the alkali present in most masonry surfaces.

Q. Is Nalcrete available in colors as well as white?

A. Yes . . . in a wide range of colors from the "Dutch Boy" Color Gallery, plus easy intermixes.
